Fixed foundation. Consistent performance. Authentic taste.

PICCOLO Fermo 14"

The 14" fixed Pizza Stone combines generous capacity with simplicity. Perfect for patios, gardens, or any home setup, it brings the authentic feel of traditional pizza baking in a streamlined format.

The stone distributes heat evenly across the surface for consistent results every time. Its solid design adds versatility, making it just as suited for bread or roasts as it is for pizza.

Powered by a C-shaped burner, ready for pizza in only 15 minutes and bakes pizzas in just 60–90 seconds. From quick weeknight dinners to weekend gatherings, it's always ready to perform.

Same technology. Same perfection. With a fixed 14" stone.

**C-shaped
main burner**

**Handles
14" pizzas**

**15-minute
heat-up**

**Pizza in less
than 90 sec.**

PICCOLO Fermo 14" pizza oven

Dual-section Stone

Even heat across the entire surface – spacious stone makes cooking results uniform every time.

C-Shaped Main Burner

The powerful C-shaped burner ensures stable, even heat all around the pizza for consistent results.

Knob Control with Electric ignition

Precise gas control with a turn.

Powerful Performance in Compact Design

Performance meets portability. Ideal for patios, balconies, and urban outdoor spaces.

Easy Maintenance & Hassle-Free Cleaning

Removable dual-section pizza stone and cast-iron support base for quick cleaning – even in hard-to-reach areas.

Bakes Pizza in 60–90 seconds

Fast baking without compromising on texture or flavour. Crispy edges. Soft centre.

15-minute heat-up – Ready for pizza anytime

Fast to preheat, easy to adapt – from blazing bakes to low-temp classics like Roman or New York.

All-Season Performance

Durable, and insulated – made to deliver perfect results, from summer nights to winter gatherings.

Double-Layered Insulation

Improved heat retention and energy efficiency – perfect for consistent performance throughout the year.
